Sir,

Adverting to Government Order No.F.2872/S.&.A. 17-23-17, dated the 29th November 1923, issuing a new rule allowing, as a partial exception to Art.591.M.S.R. Daily Allowance in addition to the Railway fare under certain circumstances for the days of arrival and departure, I am directed to state that in view of the fundamental principle that the T.A. is not to be a source of profit and of the fact that the concession sanctioned in the above Government order is only a partial exception and not an additional concession to the existing rule in Art.591.M.S.R., the application of the new rule to the different cases of claims to Daily Allowance for days of arrival and departure, was held by this office to be as indicated in the margin and the claims of T.A. disposed of accordingly.

1.Arrival and departure both on the same forenoon or on the same afternoon.	No.D.A.but only Railway fare for each journey.
2.Arrival on the forenoon and departure on the afternoon both on the same day.	One D.A.only in addition to the Railway fare for the two journeys (as per new rule) partial exception to Art.591.M.S.R.
3.Arrival and departure on consecutive days irrespective of the time of arrival and departure.	
4.Other cases of arrival and departure (on different dates) with interval of halt.	D.A.only for the days of halt but no D.A.for the days of arrival and departure though the arrival & departure be on the forenoon & afternoon of the respective days.

Some of the officers however seem to hold a different view and the officers noted in the margin have returned their T.A.Bills which were passed by this office according to this office interpretation of rule as above.

1.Mr.K.Chandy,Revenue Commissioner, His T.A.Bill for March 1924. B.R.637/621.

2.Mr.F.R.Sell Professor, Central College, T.A.bill for March 1924. B.R.641/642.

3.Executive Engineer.Special.S.W.S. construction.T.A.Bill of Mr.L.Narayana Jois for January 1924.B.R.593/625.

4.Executive Engineer, Special.S.W.S. construction.T.A.bill of Mr.L.Narayana Jois and S.Ramachandra Rao for February 1924.B.R.597/624.

The bills in question are enclosed herein for reference and kind return.

As the interpretation and application of the rule to several cases is doubtful, I am to request that you will be so good as to intimate the correct interpretation of the rule in question and its application to the claims in the enclosed bills.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.
